## When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

**Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.**

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 31 stamps.

The Timberlakes and Henry and John Queen, also brothers, were engaged Sunday night in a social game of craps at Nepton, and as is usual in such pastime, a quarrel ensued and in the melee Ben Timberlake is charged with having emptied the contents of his trusty revolver into the anatomy of the Queens, one of whom, it is said, will die from his injuries. They were arrested at the East End of the L. and N. bridge over Limestone creek while endeavoring to escape the vigilance of the Officer. They were placed in Jail and will be returned to Fleming county. Ben Timberlake is quoted as having said—"It was a case of shooting or being shot, and I took the first chance."

### HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

### EVER HAVE IT?

If You Have, the Statement of This Maysville Citizen Will Interest You

Ever have a "low-down" pain in the back? In the "small," right over the hips? That's the home of backache. It's caused by sick kidneys. That's why Doan's Kidney Pills cure it. Maysville people endorse this. Read a case of it:

Frederick Dressel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be a most excellent remedy for kidney troubles and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the secretions were scanty and attended with pain during passage. Severe pains across the small of my back were frequent and at times greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they afforded me prompt and effective relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

HOT-WEATHER LAXATIVE FREE

At no other time of the year is the tendency to constipation greater than during the summer months, and this is especially the time that it is most important to keep the bowels open. The heat taints food, there are germs in the water, and even fruit has its dangers. For a dozen and one reasons the bowels should be kept open—you should have at least one good passage a day, and in the case of children and young people, two a day is better. The best way to obtain such relief, and to thoroughly regulate the stomach, liver and bowels, is by the use of DR. CALDWELL'S SYRUP PEPSIN, the great laxative tonic. It is not a temporary relief like salts and purgative waters, and it does not gripe, like tablets and pills. It is so pleasant to take, and so gentle in action, that children prefer it to any other laxative. It is the children's ideal remedy for their stomach, liver and bowel troubles. Use it for constipation, indigestion, sick headache, biliousness, loss of appetite and sleep, drowsiness after eating, diarrhoea, "Summer Complaint," gas or wind on the stomach, etc. A bottle can be obtained of any druggist at 50 cents or \$1.00. Thousands of families keep it regularly in the house because a laxative may be needed at any moment, and those who once use DR. CALDWELL'S SYRUP PEPSIN always prefer it thereafter.

The Court of Appeals met Monday for the regular fall term, in the magnificent new Courtroom in the new Capitol at Frankfort. It is said to be the most luxuriously furnished courtroom in the United States. The ceiling is gold-laid, the walls the costliest velvet, the desks mahogany, the carpet the most beautiful green velvet imported goods. The railing is brass. The Court has in all 394 cases to dispose of during the term and 26 cases pending for rehearing, modification and extension of opinion. There are 28 Commonwealth cases that will be taken up first. The first case to be argued was that of the State Racing Commission vs. Latonia Agricultural Association.

## LEWIS COUNTY

Storm Sufferers Call on Governor Willson For Aid

Frankfort State Journal.

A petition from many citizens of Albion and Quincy, Lewis county, was presented to Governor Willson Friday appealing for aid. The petition recites that on August 5th a terrific storm passed over that section of Lewis county doing damage of \$15,000 to the crops, and that many of the people will suffer if not given assistance.

Governor Willson replied that he could not give the money of the State but that he would head the list of donations, and he believes the good people of Kentucky will not permit any of their fellow citizens to suffer for want of food and clothing.

### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

# ROYAL BLUE

For Laundry Use.

Is a very high grade of bluing and specially prepared with the utmost care. Gives clothes a bright, fresh shade, with a beautiful lustre. It does in no way streak the clothes, as these cheap inferior grades do. Many of the finest laundries throughout the country use this bluing daily with perfect satisfaction. You will like it.

One ten cent powder, put into a quart of clear fresh water, will make you as much excellent bluing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent blue ink by dissolving the powder in half pint of water. Prepared by
